Hey!! Happy anniversary! I'm happy to be part of BAP scans. I appreciate all of our hardworks put in every chapters we released. I hope that we will be more active than we were before and more members to join because the more, the merry-er LOLOL!!!

BAP is already 4 years old, woah--! I haven't had the pleasure of being with the group for that long, but I'm very grateful to have been able to join the team and meet such great people similar. Everyone works really hard to get chapters for current projects out, and I feel really proud to be a part of that effort. Special kudos to Sally for pulling everything together and stepping up as our leader-heart. She's the real MVP. Congratulations, BAP Scans, let's go as long as we can ^^
- SHININGREGALIA -

I wish BAP a Happy Anniversary. It's been only a year since I've been here. I've met many people, although most are gone. It's sad that the founder resigned, but I hope it'll stay strong as it continues to live on through old and through prosperous times. xD... I have no idea, just happy birthday!
